

## Dear Sensei

We've been waiting for you night and day  
It's been so long since you came this way  
We keep thinking of you everyday  
With deep gratitude we pray

Come again  
To our Buddha land X 2

Today seems so much brighter than yesterday  
Fighting alongside with you everyday  
Thank you for showing us the way  
With deep gratitude we pray

Come again  
To our Buddha land X 4

Like the mighty river heading for the sea  
Bodhisattvas one in harmony  
The mystic law unfolds eternally  
Bringing peace into the life of every being

Come again  
To our Buddha land (repeat till end)

Sensei
