

## JPD Soka Bodhi Tree

I am the hope  
For a world of peace  
Future belongs to me  
And Sensei says  
That I must be strong  
To be happy and be free

### Chorus

I will grow up to be  
Like the Soka Bodhi Tree  
Stand tall and strong  
In the face of stormy winds  
I will grow up to be  
Like the Soka Bodhi Tree  
So the whole world can see  
Sensei's dream for you and me

I never lie  
Lies make me weak  
I will always fight for truth  
Every day I pray  
And I polish myself  
Shine in everything that I do

I study hard  
To become wise  
I listen to Mom and Dad  
I live each day  
As my Sensei says  
I will never go wrong that way

Chorus repeat twice

La la la la la...
