

Young lions of India

Young lions of India
Bring forth the power in you
Fighting with the sword of the Mystic Law
And Sensei to guide you through

This is the time to take an oath
Come together today
To fulfil our mission of kosen-rufu
We will show the way

Chorus
We are writing a brave new story
We are making history
United we will forge ahead
Towards great victory

Standing alone courageously
Bringing hope to one and all
Winning in our lives every day
We will fight no matter what

Marching haead, defeating evil
Keeping the dmale of faith alive
Soaring in the sky on wings of hope
Forever we will strive

Chorus
We are writing a brave new story
We are making history
United we will forge ahead
Towards great victory (2)
