

LETTER OF APPRECIATION

October 19, 2021

Bharat Soka Gakkai
J-21, Hauz Khas Enclave
New Delhi – 110016,

Dear Sir,

On behalf of Whistling Woods International (WWI) Institute for Film, Communications & Creative Arts, I am writing to express appreciation to the Bharat Soka Gakkai (BSG) for organizing the online exhibition titled **Seeds of Hope and Action: Making the SDGs a Reality on 14th & 15th September for our institute.**

The exhibition has been very successful and marks the beginning of the relationship between BSG and WWI. Associating with BSG for this initiative has been a great way to engage and sensitize the students at our institute towards the importance of SDGs and take actions around it.

The explanation of the Seeds of Hope & Action panels by our students, followed by an 'interactive discussion' on **Sustainable Development Goals: 17 Goals to transform our world**, have contributed to a great learning experience for all of us. The students have shown their passion to work for sustainability and have shared their thoughts and ideas on initiatives that can be taken at the grassroots level at the institute.

We are grateful to BSG for introducing this exhibition during the Pandemic. We believe that young minds need to be nurtured with such inspiring thoughts so that we can build a hopeful future.

Going forward, we sincerely hope that we can hold this exhibition every year and engage in more initiatives in the future.

In gratitude.

Sincerely,

Meghna Ghai Puri

President, Whistling Woods International
