New Delhi – 110016,

Dear Sir,

On behalf of this Institute, I am writing to express appreciation to Bharat Soka Gakkai (BSG) for organizing the virtual exhibition titled **Seeds of Hope and Action: Making the SDGs a Reality on 28th February, 2022 for Children with Development Disabilities.**

The exhibition has been very successful and marks the beginning of a long and meaningful relationship between BSG and GRIID.

We acknowledge that associating with BSG for this initiative has helped in creating awareness of our students towards realising the SDGs.

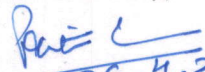

The explanation of the panels has been a great learning experience for the students who have shown their passion to work for sustainability and have shared their thoughts and ideas on initiatives that can be taken at grassroots level.

We are grateful to BSG for introducing this exhibition during these trying times. We believe that young minds need to be nurtured with such inspiring thoughts so that we can build a hope-filled future.

We sincerely hope that we can collaborate further to hold similar sessions in the future and introduce the other branches of our institute to this initiative.

Thanking you.

Yours Truly,

26.4.22
