

**LETTER OF APPRECIATION**

Bharat Soka Gakkai  
J-21, Hauz Khas Enclave  
New Delhi – 110016,

Dear Sir,

On behalf of the Indian Institute of Forest Management, Bhopal, I am writing to express appreciation to Bharat Soka Gakkai (BSG) for organizing the virtual exhibition titled **Seeds of Hope and Action: Making the SDGs a Reality on 30<sup>th</sup> October 2021 for our school.**

The exhibition has been very successful and marks the beginning of a long and meaningful relationship between BSG and IIFM.

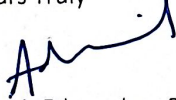

We acknowledge that associating with BSG for this initiative has helped in creating awareness of our students towards realising the SDGs.

The explanation of the panels by our students and the interactive session has been a great learning experience for the students who have shown their passion to work for sustainability and have shared their thoughts and ideas on initiatives that can be taken at grassroots level.

We are grateful to BSG for introducing this exhibition during these trying times. We believe that young minds need to be nurtured with such inspiring thoughts so that we can build a hope-filled future.

Thanking you

Yours Truly
